## Plumbing Technician

### Description

Great Jet Plumbing is seeking a skilled and reliable Plumbing Technician to join our team on a full-time basis. The ideal candidate will have experience in both residential and commercial plumbing systems, a strong work ethic, and excellent problem-solving skills.

### Responsibilities

- Perform routine plumbing services including installations, repairs, and maintenance of plumbing systems.
- Diagnose and troubleshoot plumbing issues promptly and efficiently.
- Install and repair pipes, fittings, and fixtures of water and drainage systems.
- Ensure all work is performed in compliance with local plumbing codes and regulations.
- Maintain accurate records of work performed and materials used.
- Provide excellent customer service and communicate effectively with clients.
- Respond to emergency service requests promptly.
- Collaborate with other team members to complete projects.

### Qualifications

- Minimum 2 years of experience.
- Proficient in using plumbing tools and equipment.
- Ability to read and interpret blueprints and schematics.
- Excellent problem-solving and troubleshooting skills.
- Strong attention to detail and work ethic.
- Good physical condition and the ability to perform manual labor.
- Valid driver's license and reliable transportation.
